

Who to Call if your plane is in a Tree at Waveny (8/10/05)

The following guys may be able to help you retrieve your plane:

Suggestion: Explain the situation, don't make the recovery a priority (you will pay if you do), and suggest an "end of the day" stop. Be nice and you may just have to pay a tip!! All of these guys have had to retrieve many a pet and plane.

- Howard B Toms Tree Care (966-2686).
Billy Jordan is the man. He is the Town Arborist and a very nice guy on the phone. "Ace" Cortez used to be our number one guy to retrieve planes. He died a year ago.
- Alpine Tree Service/"Care of Trees". (cell 943-5974 , office 847-1855).
"Rich" is the man . He is Trey's tree man. Good guy. I used him and just had to pay a tip to one of his employees. A pleasant surprise!!
- Danny - cell phone number is 943-0805. Usually will come over after work
- Mill River Tree Service 966-8591.
John Depew was my contact at 856-4749, he has R/C buddies.
- Robert Hutchinson 979-7499. Does a lot of local stuff.
- Qualey Tree Service 966-8138. Brian is the owner. Small operation!
- Eager Beaver Tree Service 966-6767
- Ian Sporre Tree Service (recommended by Jerry Garvis 203-856-7888)
